Re: EX PARTE Presentations, RM-11019

Dear Ms. Dortch:

On August 17, 2004, T-Mobile USA, Inc. (Tom Sugrue, Bob Calaff, Dr. Simon Wilkie and Tom Dombrowsky) held meetings with the following offices:

- Wireless Telecommunications Bureau: John Muleta, Shellie Blakeney, Harry Wingo, Gary Michaels, Margie Wiener, Scott Mackoul, Martha Stancill, and Roger Noel
- Office of Commissioner Adelstein: Barry Ohlson
- Office of Commissioner Copps: Paul Margie
- Office of Strategic Planning: Martin Perry, Even Kwerel, and Mark Bykowski

During these meetings, T-Mobile discussed its strong support for the Petition of CTIA – The Wireless Association for Expedited Rulemaking or Alternatively Waiver, which calls for the elimination of the Commission’s eligibility restrictions on PCS licenses scheduled to be included in Auction 58 so that those licenses can be put to use expeditiously for the benefit of consumers. A copy of T-Mobile’s presentation is attached.

Pursuant to section 1.1206(b) of the Commission's rules, an electronic copy of this letter is being filed.

Sincerely,

Robert A. Calaff
Director, Federal Policy
